## **COMBINED ANNUAL TRAINING CAMP(CATC)**

The Combined Annual Training Camp (CATC) is a key event in the National Cadet Corps (NCC) program, where cadets from various institutions come together for a 10-12 day training session. The camp focuses on a mix of activities, including physical training, drills, weapon handling, map reading, first aid, and cultural events. It provides a platform for cadets to develop leadership skills, teamwork, discipline, and a sense of camaraderie. CATCs are essential for NCC cadets, offering practical experience and preparation for further advanced camps and certification.
